SASH WINDOWS**

www.cardinal-windows.com

Your one-stop online shop for bespoke quality wooden sliding sash windows

Now you can instantly design and order online high-quality traditional sliding sash windows at competitive prices with reliable delivery times of 6-8 weeks.

Follow our simple 3-step online system to:

1. Design online
2. Order today
3. Collect / receive your order

Cardinal windows are made of laminated timber in finger-jointed or non finger-jointed options.

Standard products offer Low-E and Argon gas double glazing and Teknos paint.

A wide range of paint colours and a broad selection of accessories are also available.

INSPECT THE DETAIL

- (a) Flat finish to joints; (b) Beading; (c) Sash lock;
(d) Sash horn; (e) Glazing bar profile; (f) Sash lift.

WE FRAME BETTER VIEWS

Cardinal Windows guarantee highest quality, great performance, traditional style, competitive prices and superior engineering. Our sash windows are built to last and to offer energy efficiency:

- U-values as low as 1.5W/m²K.
- Excellent acoustic rates.
- Exceptional quality timber from sustainable forests.
- Fully factory finished with high-quality environmental water-based paints and stains.

These features provide our windows with a long life-cycle combined with aesthetics, resulting in customer satisfaction.

Key features of Cardinal Windows:

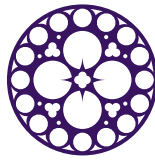

- Suitable for new buildings and renovations, including conservation.
- Air tight triple seal between sash and frame.
- Authentic sash window profiles.
- Engineered triple layered timber.
- Any RAL colour, dual colour also available.
- Flat finish to joints avoid unsightly V joints.
- Ovolo, Lamb's Tongue, Concave and Putty line glazing profile options.
- Five internal and external sash horn types for bespoke requirements.
- CE Certified.
- Extensive 10 years warranty.

Optional features:

- Toughened glass
- Obscure and Sandblast glass
- Choice of hardware colours
- Choice of trickle vent sizes and colours
